ABOUT ME

Marketing Creative Designer with 3.5+ years in graphic design, motion graphics, video production, and UI/UX design. Completed 55+ projects including social media posts, pitch decks, video editing, motion graphics, marketing collaterals, Lotties, GIFs, and Meta ads—always ahead of deadlines. Skilled in using generative AI tools (Claude, Gemini, Sora, Higgsfield AI) to accelerate workflows and create innovative, on-brand content.

WORK

Creative Designer | Cab9 Aug 2025 – Present
Bangalore, India

Design graphics and social media content for marketing campaigns. Create pitch, sales, and brand identity decks. Revamped company brand identity with new name Cab9. Work on motion graphic reels for marketing. Delivered standout designs for major event in Spain, "The Cab9 Event – Spain Edition."

Design Creative | Prosperr.io Aug 2024 – Aug 2025
Bangalore, India

Started as Jr. Graphic Designer, promoted to Graphic & Video Lead for quality and ownership. Led Prosperr.io website and logo revamp, strengthening brand. Produced videos, reels, explainers, and marketing creatives with brand consistency. Managed photography and videography independently, expanding creative scope.

QA Lead | Rooster Pixel Jan 2023 – Jul 2024
Madurai, India

Joined as Video Editor and was promoted to QA Lead for consistently upholding production quality. Edited and quality-reviewed 300+ videos for 50+ clients, ensuring polished, client-ready deliverables. Identified and corrected technical and creative inconsistencies across visuals, audio, and effects.

AWARDS

2025 — Creative Catalyst
Awarded at Prosperr.io for driving innovative visual concepts across marketing and product design.

2025 — Unsung Hero
Awarded at Prosperr.io for outstanding behind-the-scenes contribution to brand and marketing success.
